CISCO & BUILDING TRADES GOLF OUTINGS PARTNER FOR CHARITY

Thanks to the generosity of guests at both CISCO's Annual Golf Outing and the Chicago & Cook County Building Trades outing, our designated charity - Gateway To Learning (GTL) - received a double contribution totaling \$15,000.

CISCO provided a \$5,000 donation to Gateway to Learning, and the Chicago & Cook County Building Trades (CCBT) presented a check to GTL for an additional \$10,000.

The CCBT contributions were raised during its golf outing on September 27 as 360 golfers purchased raffle tickets toward this worthy cause.

Ralph Affrunti, CCBT President, mentioned that the union members and union contractors had combined to raise over \$5 million for charity this year alone.

CISCO would like to thank everyone who contributed at both golf outings this year!
